SECTION A - SPECIFIC TERMS FOR THIS CONTEST

1. Sponsor. The Columbia STEM Alliance Socially Distant Candy Contest 2020 (the "**Contest**") is an online contest with skill, ability and knowledge components that is sponsored by the Columbia STEM Alliance. The Contest is co-sponsored by the Regional Economic Development Inc. (REDI), (each, a "**Co-Sponsor**"): The Contest is governed by these Official Rules (these "**Rules**"). For any questions regarding the Contest, the Sponsor may be contacted by email at [craigadams1965@gmail.com].
2. Overview; Objective of the Contest. The objective of the Contest is to Construct a device that safely and effectively delivers or can receive candy to one or more standard issue trick or treaters maintaining a "social distance" of 6 feet or more.
3. Eligibility. **THE CONTEST IS OPEN ONLY TO PERSONS WHO, AT THE TIME OF ENTRY, ARE A CHILD BELOW THE AGE OF 15, AND A RESIDENT OF BOONE COUNTY MISSOURI.** Sponsor reserves the right to require minors to submit proof of parental/guardian permission and consent to these Rules at any time, without which they may be immediately disqualified from the Contest. No purchase or payment is necessary to enter the Contest.
4. Deadline. Deadline for entry of this contest is October 26th, 2020.
5. Winner Selection. There will be 10 total winner(s) for the Contest. The winner(s) will be selected on or around November 2nd, 2020, and Sponsor will announce the winner(s) on or around November 3rd, 2020. Each winner will be awarded only the prize(s) for which that winner was selected, as described below.
6. Prize(s). IF THE WINNER IS A RESIDENT OF THE UNITED STATES, the prize(s) to be awarded in the Contest is/are as follows:

7. Judging Process. The winner(s) will be determined through two (2) rounds of judging, as described below:
8. Selection of Finalists: In the first round, after the Voting Period closes, Judges from the Columbia STEM Alliance staff will rank each eligible entry on the basis of a composite score based on the Criteria, assigning equal weight to each of the Criteria. The entries with the highest scores will qualify as finalists.
9. Selection of Winner(s): In the second round, the Judges will apply the Criteria to evaluate the finalists, using a range voting method, assigning a value between 0-9 to each finalist. The finalist(s) with the highest score(s) will be selected as the winner(s),

and the number and type of winners will be as identified in Section A above. Any ties will be broken using the median ballot rating approach (the entry with the highest median score wins).

10. Disqualification: The Judges have the right to disqualify any entry that is not in compliance with these Rules. In the event that a winning entry is disqualified, the next-highest scoring entry will be selected as the alternate winner. In the event that one or more of the identified Judges is unavailable, Sponsor reserves the right to substitute Judges of comparable qualification, to be determined by Sponsor in its discretion. The Contest is entirely skill-based and contains no elements based on chance. The standards applied during the judging process focuses on assessing each entry's properties. By the mere submission of an entry, an entrant acquires no automatic right to be awarded a prize, nor any other right except for the right to have such entry reviewed and evaluated subject to these Rules.
